Dear Robert Stone,

It was a pleasure meeting you and Michael in New York City to first sample and taste your olive oil in the fall of 2016.

Since then I've enjoyed using your oil, as have my chefs. We find your oils to be of extraordinary taste, and quality. Your most recent shipment is outstanding with a wonderful array of aromas and flavors. I find your oils compare very well with old world oils from Italy, Greece and Spain. I find some other new world oils bitter - your olive oil is bright, peppery and rich with flavor.

I've enjoyed a 30+ year career developing restaurants for famous chefs and resorts around the world. From Chicago, Denver, Dallas, Las Vegas, to Tokyo and Dubai. Your olive oil is one of the best.

Thank you again for introducing me to your product, my Chefs and I enjoy using it very much.

Sincerely,

J. Jeffrey Frederick
